We need to know how you would benefit from attending the Transatlantic Bluegrass School if your application is successful. To help us do this we are asking you to write a short explanation on two topics:

1) In under 300 words describe tell us about your background and current situation, explain your need for financial assistance, and tell us why you would like to attend the Transatlantic Bluegrass School in 2008.

2) In under 300 words, tell us about how you became interested in bluegrass music, what you like about it, and what your aims and objectives are as a bluegrass musician in the future.

You can also send us a CD or other material (such as personal recommendations or a recommendation from a music teacher) relating to your playing (but this is not essential).

I hereby state that everything submitted in this scholarship request and in the accompanying documents is accurate and truthful.
